RETAIL PRICE LIST

of

*True to Name Bulbs
and Plants that Grow*

FLORAL GARDENS

S. W. Swartrauber, Prop.

EATON . . . OHIO

TERMS: Cash with order, except to persons who satisfy us as to their responsibility, when accounts will be due in 30 days from date of invoice.

PRICES: Prices in this list include packing costs except on excessively bulky pieces, for which the cost of packing will be extra.

QUANTITY: All prices in this catalogue are 5 at 10 rate; 6 at 12 rate and 25 at 100 rate.

INSPECTION: All our stock is inspected regularly and a certificate of inspection will accompany each shipment.

GUARANTEE: All plants and bulbs purchased at our Gardens, or shipped from our Gardens, are warranted to be true to name and up to size and in good healthy condition when shipped. Any plants that prove otherwise will be replaced or the original amount paid refunded.

All complaints on our part must be made by the purchaser within five days after receipt of goods. Remember that plants need care and your attention and **THEIR SUCCESS DEPENDS UPON THE CARE THAT YOU GIVE THEM.** We are always ready to give you advice regarding their care.

LANDSCAPE SERVICE: We are prepared to come to your home and give you an estimate on the planting and landscaping of your grounds. Please confer with us concerning the building of Rock Gardens and Pools.

LOCATION: Our Gardens are located one-fourth mile east of Eaton, Ohio, on route number 41 on the Dayton and Richmond Pike.

FRUITS

All the fruit trees that we are offering have been carefully grown, true to name and healthy in every respect. The grades are in accordance with the Horticultural Standards of the American Association of Nurserymen. They have been calipered at two inches above the bud. All trees are two year old with the exception of the peach, which is one year old.

APPLES

First Class. 11/16 in. and up, 4-6 ft.75 ----

Varieties: Yellow Transparent, McIntosh, Delicious, Grimes Golden, Baldwin, Jonathan, Rome Beauty

PEACHES

Cooper. Mid season variety ---- 1.50

Gibson. Late variety ---- 1.00

Senator Dunlap. Good all-purpose var. ---- 1.00

Haverland. Very productive variety ---- 1.00

Mastodon Everbearing. Best ever-bearing variety ---- 3.00

SEEDS

ANNUAL FLOWER SEEDS

We will handle all the varieties of Annual Flower Seed from a prominent Seed House, which seed has undergone strict test for high germination. You will be pleased with the quality of this seed. Per Package .10

CHOICE VEGETABLE AND GARDEN SEED

All varieties with high germinating test. Per Package. .10

ANNUAL FLOWER PLANTS

During May and early June we will offer to the public potted plants of all the more common annuals including the following varieties: Petunias, Asters, Snaps, Annual Larkspur, Schizanthus, Calendula, etc.

GRASS SEEDS

We sell only Grass Mixtures which have been recommended by the Horticultural Department of the State University. These mixtures will suit your lawn conditions better than those grasses already mixed.

General Lawn Mixture.

Contains Kentucky Blue Grass.....	4 parts
Red Top Grass.....	1 part
Perennial Rye Grass.....	1 part

Rate—Use 3 to 4 pounds per 1000 sq. ft. of area

Cost—1 pound .60; 3 pounds 1.75

Shady Lawn Mixtures.

Contains Kentucky Blue Grass.....	2 parts
Red Top Grass.....	1 part
Perennial Rye Grass.....	1 part
Meadow Grass.....	3 part

Rate—Use 3 to 4 pounds per 1000 sq. ft. of area

Cost—1 pound .60; 3 pounds 1.75

FERTILIZERS**Bone Meal.****Per Lb.**

Pulverized bone fine for lawns, roses and perennials

1 lb. will cover 20 sq. ft. of lawn..... .10

50 lb. will cover 1000 sq. ft. of lawn..... .07

Hydrated Lime.

Used in sweetening soils. Good for Iris.

1 lb. will cover 20 sq. ft. of lawn..... .10

50 lb. will cover 1000 sq. ft. of lawn..... .05

Ammonium Sulphate.

Very desirable for lawns but should be watered in just as soon as it is scattered on lawn as the ammonium will burn all leaf surfaces.

1 lb. will cover 200 sq. ft. of lawn..... .15

6 lbs. will cover 1000 sq. ft. of lawn..... .10

25 lbs. will cover 4000 sq. ft. of lawn..... .08

Pulverized Chicken Manure.

Can be applied directly to the top soil and then worked into the soil before sowing the lawn.

It can be applied directly to lawn itself, without danger of burning same.

5 lbs. will cover 100 sq. ft. of lawn..... .10

Stable Manure.

This manure is not composted—for winter mulch of lawn, perennials and shrubbery.

Per load 3½ cu. yds. at Floral Gardens..... 8.00

Compost

This compost is composed of well-rotted stable manure, chicken manure and vegetable matter in composition with soil and fine sand.

Per load 3½ cu. yd. at Floral Gardens..... 12.00

Top Soil.

Good for top dressing lawns, garden beds and lawns.

Per load 2½ cu. yd. at Floral Gardens..... 5.00

Peat Moss.

Imported granulated peat moss, used in mulching lawns, roses and perennials. Peat aids very much in the retaining of moisture and helps to prevent the growth of weeds.

1 bale contains 13 cu. ft., covers 240 sq. ft. 5.00

Sprays.

We are in a position to spray your shrubbery and trees for San Jose Scale during the dormant period in early spring. Also for Red Spider on Evergreen. Prices on application.
